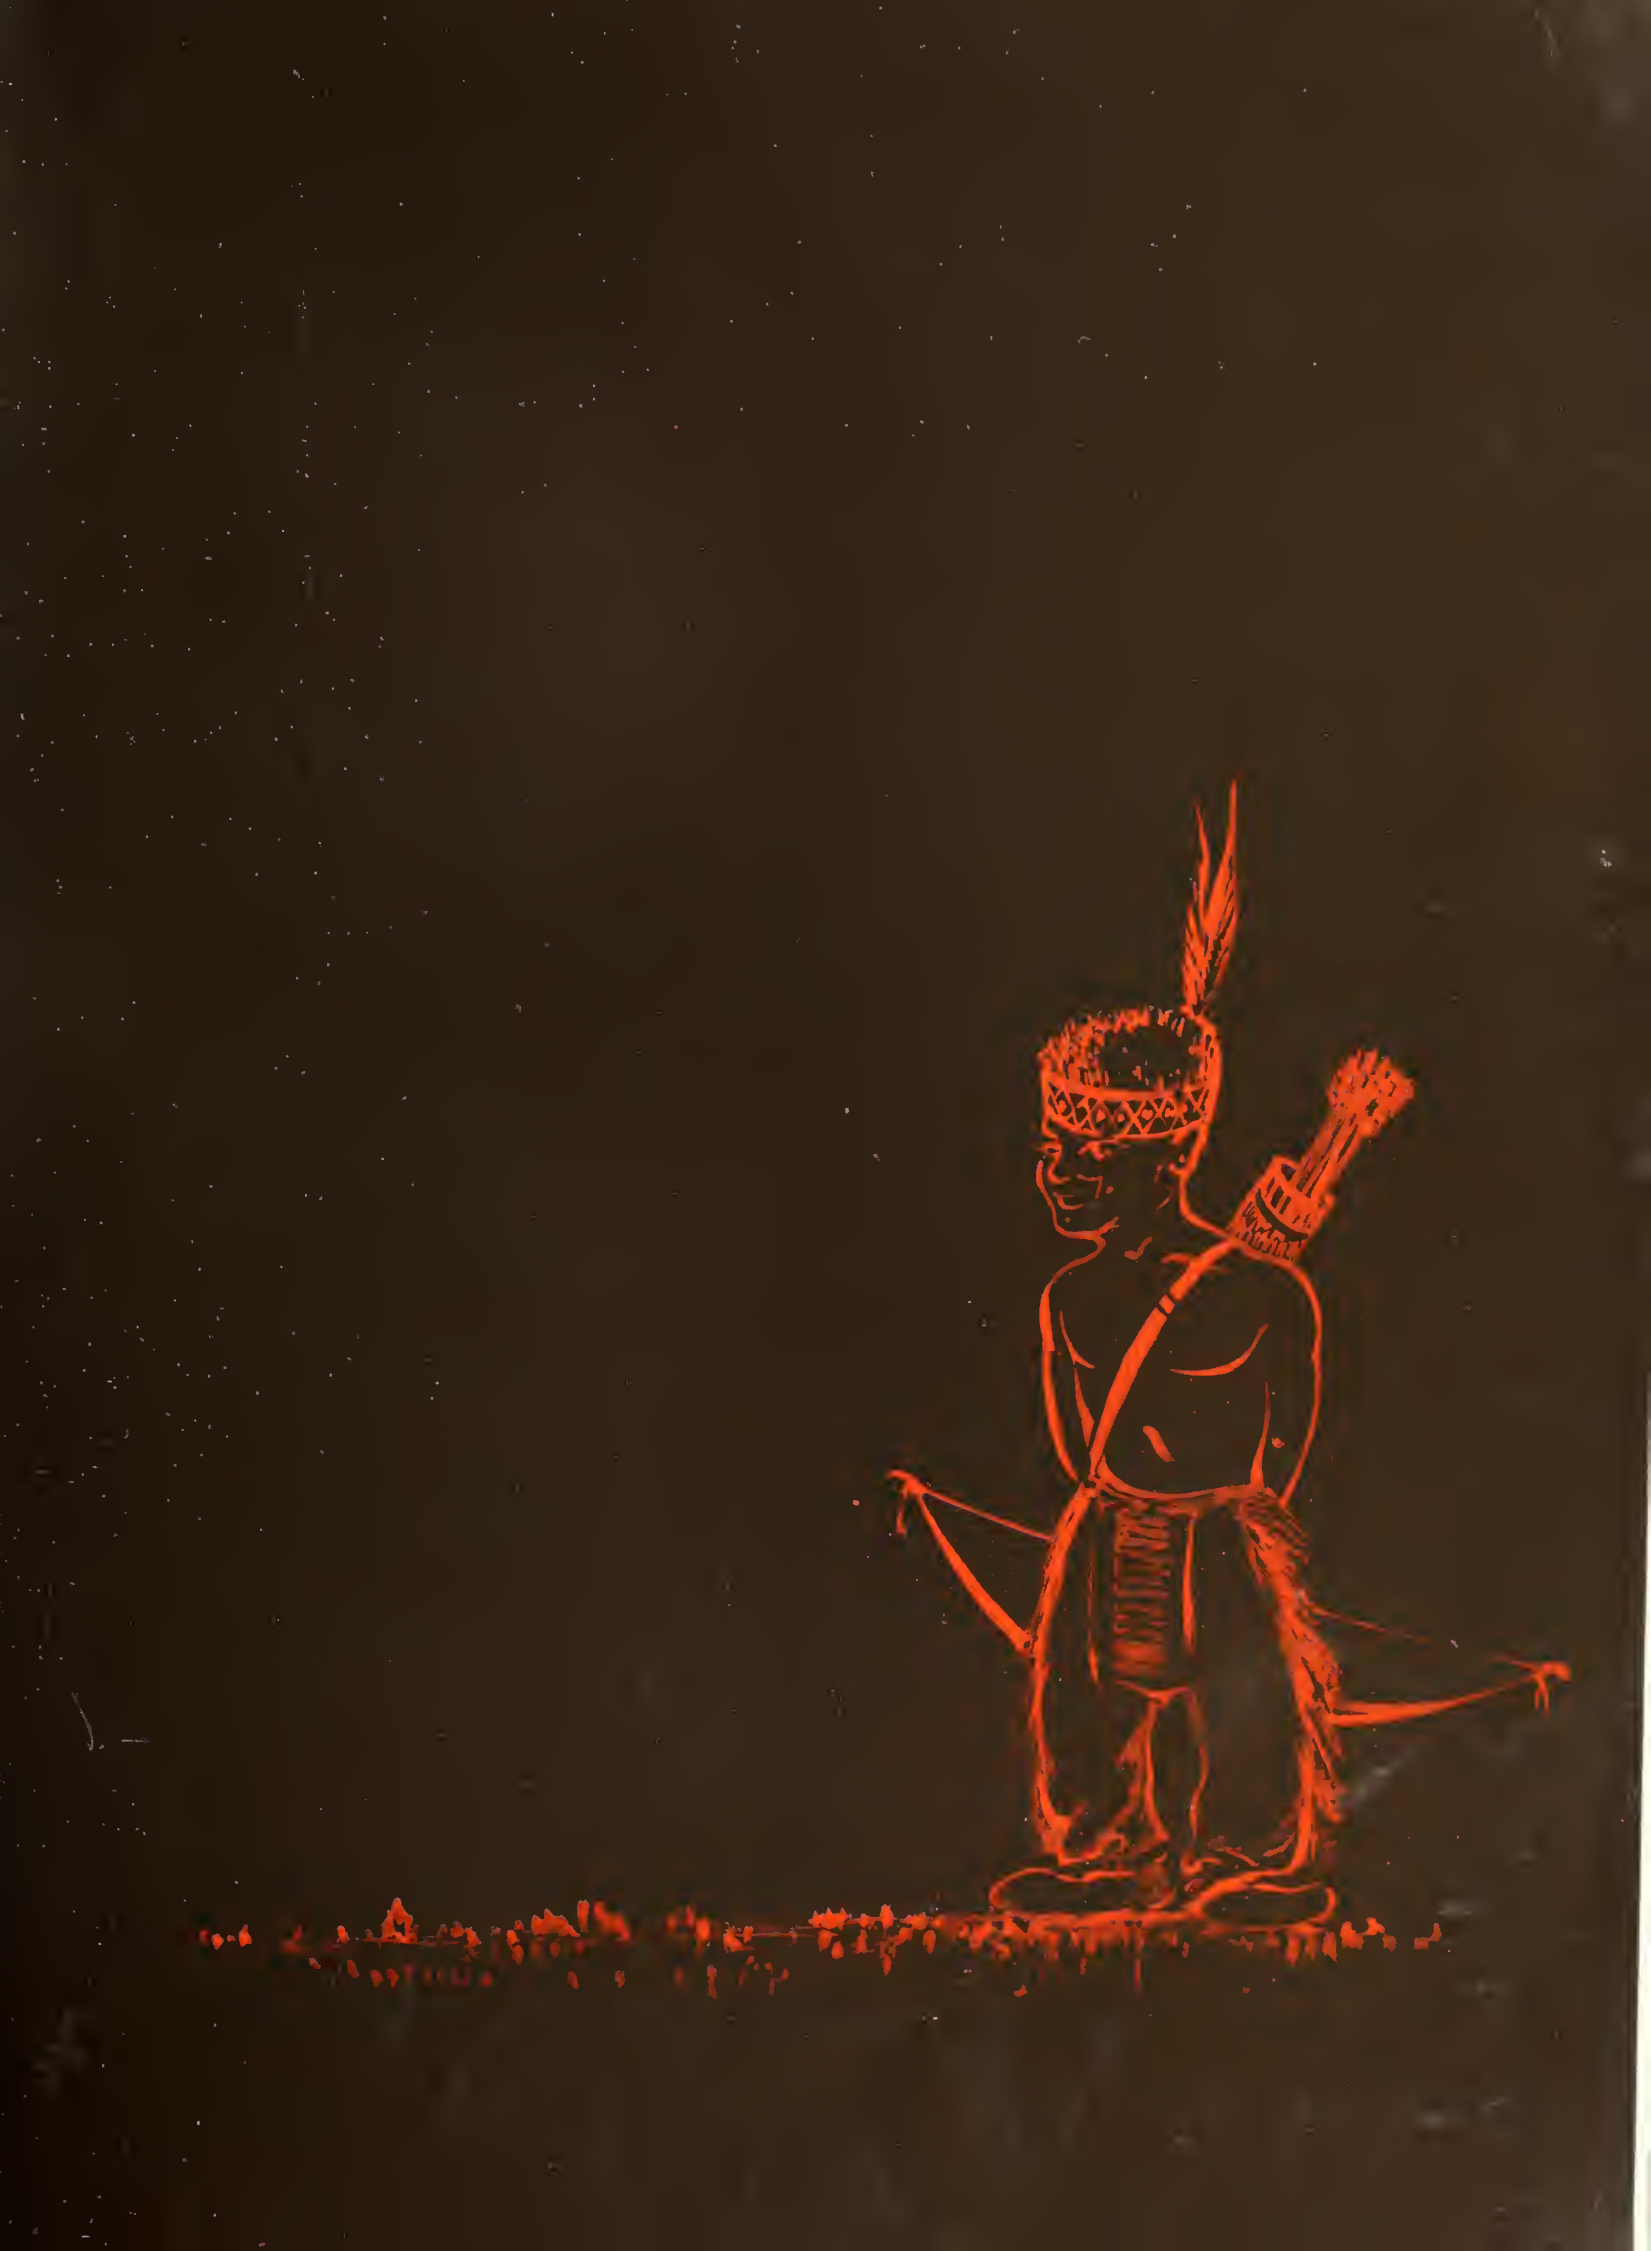
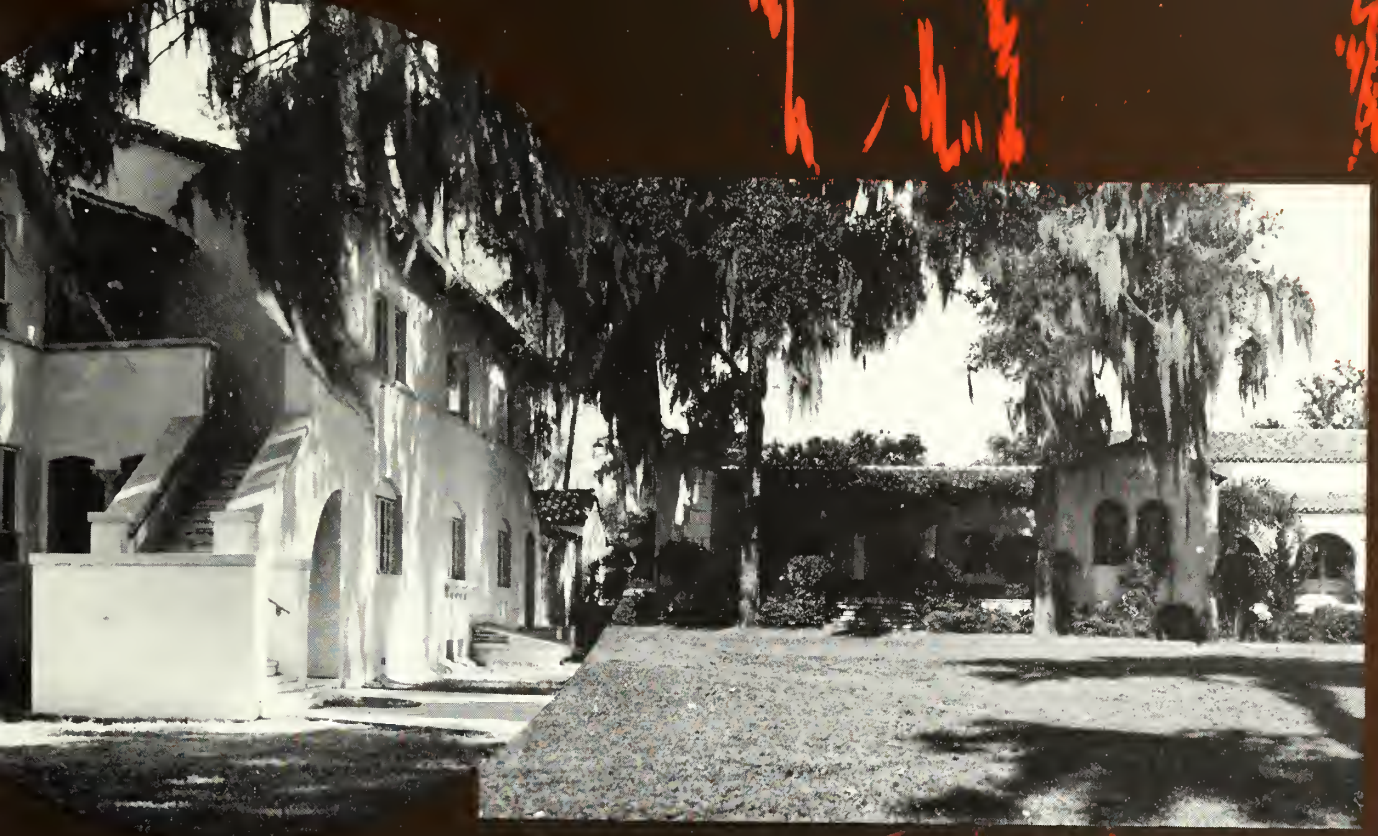
I Am Little Sandspur

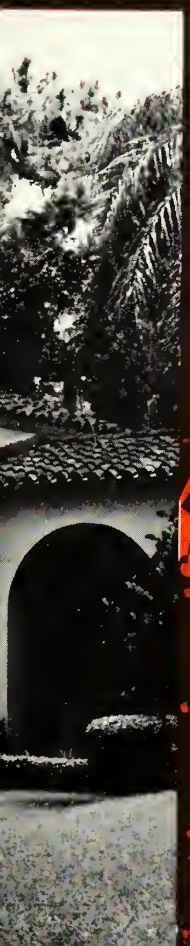
Many moons ago, my forefathers made history on the same paths that a different tribe treads today. Many things have changed now.



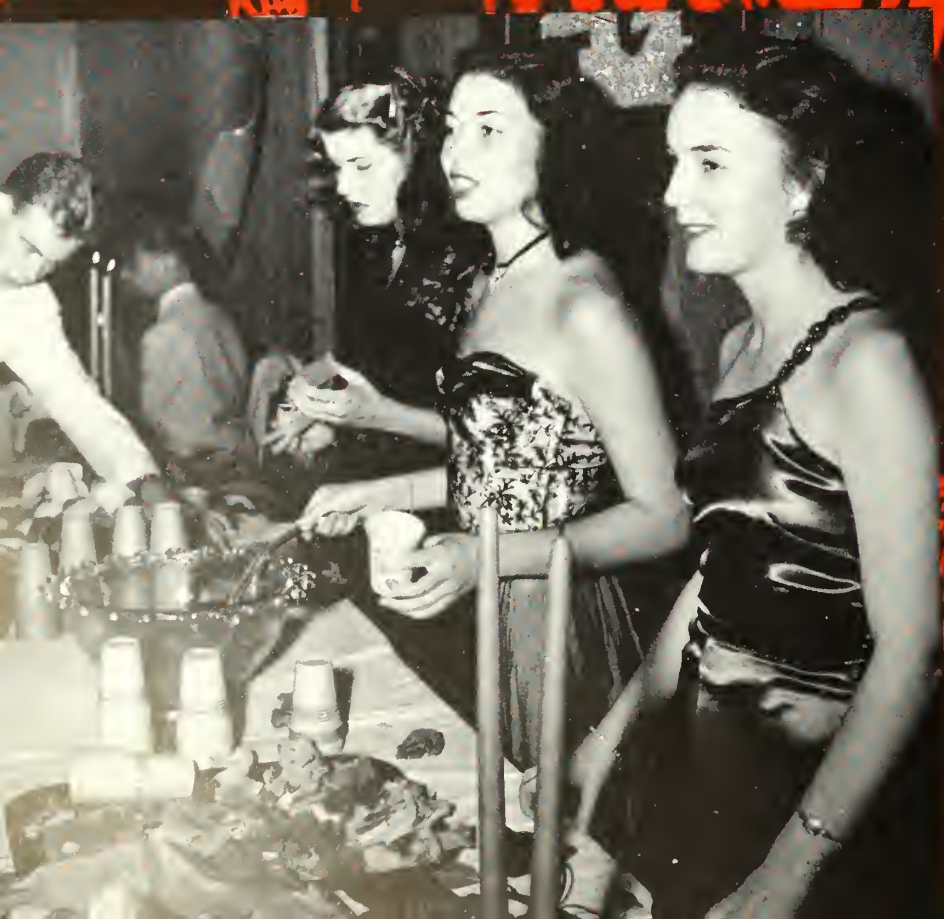
I have seen a school of learning
built upon our old hunting grounds.

Many students have come and gone.





They have always played hard and worked hard.



This year another tribe leaves for the outside world.

Dedication

When Fate has cast in senseless bone

The hand that shaped this book;

Eons beyond that day

When this thin page shall crumble

Into dust—

Along swift Time's unrolling path,

May such a Spirit ever walk,

Genial, charming, great of heart;

Rogue and Prince, Puck and Sage,

Of Shakespeare's hand and Plato's brain.

May long this heart be quick,

The spirit never dim,

Of him to whom, in gratitude and praise,

We dedicate these memories.

● As integral a part of all student activities at Rollins College as books and studies, are the undergradnate publications. Whether his bent be creative writing, reporting, copy-reading, or selling advertising, he can find his place on the *Sandspur*, *Tomokan*, *Flamingo*, or "*R*" *Book*. All these are published by student editors and staffs under the direction of the Publications Union, whose Board of Control is made up of the editors, business managers, and faculty advisors of the four publications.

In These Times We Fight for Ideas, and Publications are Our Fortresses—Heine
